The attention of all the Municipal Commissioners and the Additional Collectors (LBs) in the State (except Mulugu & Hyderabad) is invited to the references cited, wherein it was reiterated to complete Nursery and other activities of the Harithaharam as per the timelines.

Further, it is requested to observe the following activities for survival of plantation done under TKHH, in the ensuing summer season :

- i. Take up Haritha Shukravaram programme every Friday, involving Public Representatives and Stake holders for creating awareness among the public.
- ii. Usage of Water Sprayers / Water guns, especially for the Avenue & Median plants, for clearing the dust accumulated on the foliage. Some of the ULBs are successfully making use of such Sprayers and getting the results intended. All ULBs shall follow this practice, keeping in view the ensuing Summer season.
- iii. Ensure labeling of Water tankers used for TKHH prominently, to have more visibility and follow the watering schedule as per need-based seasonal requirements.
- iv. Maintain full stocking of the plants in Nurseries and regularly monitor bag filling and bag conversion activities in Nurseries, as desired.

In view of the above, the Municipal Commissioners and the Additional Collectors (LBs) shall take up all required measures under TKHH and contribute for achievement of more than 85% survival of plantation, as per the Telangana Municipalities Act 2019.

**Yours faithfully**
